

Your impact through

OPPORTUNITY

Your support in the second half of 2021 was vital to driving sustainable change and rebuilding in the wake of the pandemic across Asia. Opportunity International Australia partnered with microfinance institutions, community leaders, health and safety service providers, schools and teachers to help families live safe, empowered lives.

6,753,480
families accessing small loans
and financial services

Microfinance Report

5,384,837 families in India and **1,368,643 families in Indonesia** benefitted from small loans and financial services that are vital for their economic recovery from the impact of COVID-19 – with more than 95 per cent of loans made to women.

1,478,700
people reached through our
health programs

Health Report

Our Health Leaders delivered services such as education on COVID-19 prevention and care and women's health in India, Indonesia and Bangladesh, reaching more than **1,478,700 people**. In Bangladesh, **550 new Health Leaders** were trained and **134 new Health Leaders** were trained in Indonesia.

123,238
families receiving loans to
educate their children

Education Report

Opportunity EduFinance provided school fee loans to **123,238 families in India, Indonesia and Pakistan** to ensure their children could return to school as schools reopened. **School Improvement Loans have been provided to 4,818 schools in India, Pakistan, Indonesia and Nepal**, to improve school facilities and education quality in these regions.

108,256
people benefitted from our
women's safety programs

Women's Safety Report

The number of women and girls at risk of domestic violence and sex trafficking in India rose during the pandemic. **The PeaceMakers program educated and served 23,786 people**, and provided support for women and children escaping domestic violence. **Our 439 Safe Village Programs reached 84,470 people**, educating communities about the warning signs of trafficking.
